TO A BABY SHOWER FOR WILDLIFE REHABILITATION

Skye's Spirit Wildlife Rehabilitation Center will be hosting a Baby Shower for Wildlife on Saturday April 24th, 2010 from Noon to 4:00pm at our center just east of Barkeyville, PA (2 miles east of route 8 off of route 208. Call or e-mail for more information and directions). Visit our Live Birds of Prey and Bobcat, watch baby wildlife from a live feed camera (as long as there are babies in care at the time of the shower), and learn about how SSWRC cares for injured and orphaned wildlife. This is a fundraiser to help collect much needed funds and items that are needed for the care of orphaned, injured and sick wildlife. We are also fundraising to build new and repair old enclosures for the animals in care.
